Welcome To Amy Baker Travel

Welcome! I'm Amy Baker, a Virtuoso travel advisor with my host agency, Fora Travel. Here's how I can help with all your travel planning—whether it's a simple hotel booking or a bucket-list adventure.

First, I get you more from every hotel stay. Through my Preferred Partner relationships, I can often secure VIP perks—complimentary breakfast, room upgrades, hotel credits, early check-in, late check-out—at the same rates you'd book yourself.

Second, I save you the hours. Instead of scrolling endless reviews and second-guessing whether a hotel is worth it or in the right neighborhood, you get recommendations tailored to how you like to travel. I steer you toward authentic, well-designed journeys—away from the overcrowded, overhyped spots—so every trip feels personal, seamless, and genuinely yours.

However you like to travel, there's a way to work together. I can craft a full-service itinerary—flights, tours, ground transportation, restaurant reservations, and everything in between—or, if you're someone who loves planning your own trips, I can simply add those VIP perks to your hotel stays at the same price as booking directly.

Take a look at my price guide below.
